

THE PERFECT ENDING TO YOUR PERFECT DAY

After a truly unforgettable celebration, we invite you to end your day with grace and indulgence — as our gift to you.

Spend your wedding night in one of our beautifully appointed guestrooms, nestled in the heart of Mayfair's elegance.

Sink into sumptuous Frette linens, unwind in your marble bathroom, and enjoy the serenity of contemporary interiors designed with effortless sophistication.

For those wishing to elevate the experience further, you may wish to upgrade to one of our elegant suites — or enjoy exclusive use of our stunning two-bedroom **Botanical Suite**. With generous space, elegant styling and abundant natural light, it's the perfect setting for the bridal party to prepare and unwind before the ceremony, and for newlyweds to enjoy their first night in complete comfort and privacy.

We're also delighted to offer preferential wedding rates for your guests, so your loved ones can linger a little longer and share in every cherished moment.

For a truly private and luxurious stay, guests can also enjoy **exclusive use of Montcalm Marble Arch Townhouse**, located just moments from Montcalm Mayfair. Offering complete privacy across all 13 beautifully designed rooms, the townhouse is available for full residential hire, with discreet, seamless service provided by the Montcalm team throughout.
